Dear Parents,

EISTEDDFOD YR URDD 2017

If your child wishes to compete in individual competitions at Urdd Eisteddfod this year – singing, reciting, individual dancing then you must complete the attachment at the bottom of this letter and return it to school no later than January 30th.

We are unable to receive any late requests to compete after this date unless parents pay the Urdd's administrative costs of £25 per individual competition. This administrative cost scheme is new this year and set by the Urdd movement itself.

Any self-chosen piece, if relevant to the competition, must be included and also the specific musical key for certain competitions.

We shall be registering all individual competitions electronically with the Urdd at the beginning of February and if your child is not registered to compete by then they will not be allowed to compete unless the administrative cost is met by parents.
